

VAGAMON

Vagamon, is a quaint hill station in Kerala. This charming town is located on the Kottayam-Idukki border. Tucked away from the urban clutter, the holiday destination invites you to views of scenic valleys, misty mountains, pine forests, tea estates, waterfalls and a breath-taking view of vast green meadows. Vagamon is also home to a variety of flowers and orchids. Enjoy trekking on the hillsides and don't miss the splendid Vagamon Hills Garden, operated by KFDCC. The Garden houses a delectable collection of orchids, roses, ferns, cactus, rare plants and many other flowering plants. Boating, nature camp booking, garden plants sale and cafeteria facility, are also on offer.

Gavi Ecotourism

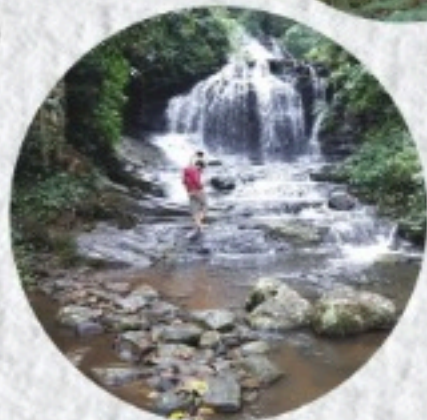

GAVI

Kerala Forest Development Corporation has developed ecotourism sites across Kerala, providing nature lovers the opportunity to be one with nature. We offer our guests a memorable experience in the midst of stunning forests and locales, awesome wildlife sighting, delicious authentic Kerala cuisine; as well as a getaway from the stress of everyday routine. We assure our visitors that we engage in responsible tourism, which factors in the welfare of local communities through our ecotourism activities. We welcome you to KFDC ecotourism!

Gavi is a mindblowing eco tourist spot in Kerala, that should be visited at least once in a lifetime. It has widely become popular after 'Alistair International', the world acclaimed tourism major, listed it among the leading eco tourism centres and one of the must see places in India. If the nature lover in you wants to soak in natural scenic beauty and rich wildlife, miles away from modernity, look no further; Gavi stays preserved, 'au naturale'. Endangered wildlife species including the Nilgiri Tahr and Lion tailed macaque, are often sighted. Asian elephants, the pride of Kerala, are a common sight. With more than 260 species of birds including the great pied hornbill, woodpecker, and kingfishers, Gavi is a heaven for birdwatchers.
